

FAQ'S

MGrx System

Are there any disposables or other costs per treatments?

- No, there are no disposables or other per patient costs.

What does the 4-year Gold Warranty cover?

The 4 year Gold Warranty is a “bumper to bumper” manufacturers’ warranty that covers your device against any manufacturing defects (including software) or performance issues that may occur for a full 4 years. You can buy the MGrx with confidence as we will replace or repair your device at no cost for those 4 years.

How long does it take to perform a full treatment?

- The MGrx system treatment takes a total of 15 minutes. A tech can perform the Thermal Massage portion – decreasing total time for the clinician to 5 minutes.

How are the instruments sterilized or disinfected?

- Each of the three instruments are re-usable and can be sterilized or disinfected using standard sterilization methods and alcohol or other disinfecting solutions.

What are clinicians charging for a treatment?

- Clinicians are charging between \$350 -\$450 for a treatment.

What is the ROI for the MGrx System?

- Given the typical patient charge the ROI for the System is typically 30 treatments.

What is the warranty on the MGrx System?

- The MGrx System comes with a full 2 year warranty.
